## MAFCA Charter

On Saturday, April 23, 2016, the Southeastern Touring Group became an official Special Interest Group of the Model A Ford Club of America (MAFCA).

## Membership

Membership in the Southeastern Touring Group (STG) is open to all members of MAFCA and the twice yearly tours are our meetings. The purpose of the group is to tour the Southeastern area of the US in Model A's, with tours in the spring and fall of each year. Membership dues for all family memberships is \$5.

May 2018 bring you health, happiness, good luck, and prosperity! Last year, I gave you the story behind the traditional southern New Year's Day meal. Hope you had your fill of pork, greens, hoppin' john, and cornbread!

Danny and Cheryl Austin have been very busy driving the route in the Low Country of South Carolina. This will be a "Hub and Spoke Tour" with our base in Beaufort, SC. There will be an optional day of driving on Wednesday, May 2nd with truck and trailer parking in Columbia, SC for those who want to do a bit more driving. We will also have a place for those trucks and trailers in the Beaufort area, as well. We are going to accept only 25 registrations, we will not be able to add more. So, it will be very important to start thinking about this tour now. **The registration will all be done online, including payment. Registration will open on March 1. No mail in registrations will be accepted. A PayPal account is not necessary to pay online. Payment may be made in the STG online Store on the website for the club. Please keep in mind that your registration is not complete until you have paid your registration fee(s).**

Katie and Ed Herrick are busy planning a tour for Labor Day

weekend 2018. We will be driving the beautiful roads of the Southern Highroads. We will travel through Tennessee, North Carolina, Georgia, and South Carolina. The Southern Highroads is like nowhere else in America. Breathtaking views about around every bend in the road. The Southern Highroads is an important historical route that blends history and legends from the region's rich and intriguing past. Ancient homeland of the Cherokee Nation, the route includes the Chieftain's Trail, commemorating the "Trail of Tears". Come and uncover the legends told by Cherokee Indians on why the "bald" mountains exist, and trace the early settlers' paths as they searched for gold, farmed the land, and carved out a place to call home.

The trail is a 364-mile loop across the Appalachian Mountains that winds through four national forests and embraces some of the South's most beautiful scenery. Therefore, we will only do a portion. Perhaps on another tour, we can do another leg.

Remember to renew your STG membership, if you haven't already. It is necessary for you use the online payment method and those instructions are also found on page 6.

Our membership has grown to over 75 family memberships. Tell your Model A friends about our group. Please share this newsletter with them. The Southeastern Touring Group is all about friendship, touring in our Model A's, and of course - great eats! I hope to see you soon on the Model A road.

Happy motoring.....

## Spring 2018 Tour

---

The 2018 Spring Tour will be to the Low Country of South Carolina and based out of Beaufort, SC. Dates are May 3, 4, and 5, 2018., with an option of beginning on Wednesday, May 2 from Columbia, SC. We will visit Colonial Period sites and enjoy some of the best seafood this side of the Mississippi River! Danny and Cheryl Austin will be our hosts. The Austins are residents of South Carolina. Danny owns Austin Logging and to say he knows every back road in South Carolina, is an understatement! He also knows all the wonderful places to enjoy great eats! This will be a fabulous tour! Registration will open on March 1 at 8:00 AM. Tour will be limited to 25 Model A's.

## Fall 2018 Tour

---

The 2018 Fall Tour will be over sections of the Southern Highroads Trail. Katie and Ed Herrick will be your hosts for this fabulous tour. The Southern Highroads is a scenic route across 13 counties in 4 states with something to offer for the entire family. Stretching across North Georgia, Western North Carolina, South Carolina, and Tennessee, Southern Highroads offers a wide variety of antique shops, arts, entertainment, dining, lodging, outdoor activities and fun for all! This will be a circle tour, beginning and ending in the same town. More details will be on the website when available. Tour will be limited to 25 Model A's.

## Spring 2019 Tour

---

The 2019 Spring Tour will be a section of the beautiful Natchez Trace Parkway. Katie and Ed Herrick are our hosts for this tour. Come drive one of the most perfect Model A roads in the nation. Not only are commercial vehicles prohibited on the Natchez Trace Parkway; the maximum speed limit along the Natchez Trace Parkway is 50 mph most of the way. And for one long stretch of roadway, it's only 40 mph. This will be a line tour. Tour will be limited to 25 Model A's. When details are available, they will be posted to the club website. Stay tuned!

NEW EASY WAY TO

# Perfect Chocolate Pie!

January 5, 2018

Happy  
New Year

## EAGLE BRAND CHOCOLATE PIE

- 2 squares unsweetened chocolate
- 1 1/3 cups (1 can) Eagle Brand Sweetened Condensed Milk
- 1/2 cup water
- Baked pie shell (8-inch)

Melt chocolate in double boiler. Add Eagle Brand Sweetened Condensed Milk, stirring over boiling water five minutes until mixture thickens. Add water, stir until thoroughly blended. Pour into baked pie shell. Garnish with whipped cream if desired. Chill.

● Use any other recipe, and it'll take you 30 minutes' cooking and stirring and watching to get this creamy-smooth filling! Don't fail to clip this magic recipe! ● But remember—Evaporated Milk won't—can't—succeed in this recipe. Your must use *Sweetened Condensed Milk*. Just remember the name Eagle Brand.

**MAGIC!**

# Technical Tip Ken Nelson

**FACT:** Gasoline will start to boil at 100 degrees.

**FACT:** Gasoline w/10 % Ethanol will start to boil at 80 degrees.

When fluids boil they give off a vapor along with bubbles and/or foam. If your Zenith carburetor does not have the “enlarged 3/8” hole and the added 1/8” vent hole at the top of the bowl, where is this “action” to go? Could this be the infamous “vapor lock”? Who knows!
